

London Bottled Beers

Fuller's London Porter, 500ml, 5.4% ABV £3.85
Very dark, smooth and strong. Brewed with a blend of brown, crystal & chocolate malts for a creamy beer balanced by traditional Fuggles hops.

Fuller's 1845, 500ml, 6.3% ABV £3.90
Rich & complex with fruitcake aromas of nutmeg & spices with a dry, fruity finish.

Fuller's Bengal Lancer, 500ml, 5.3% ABV £3.90
Pale in colour, full-bodied with a distinctive hoppiness that marks it out as a true India Pale Ale

Meantime London Pale Ale, 330ml, 4.3% ABV £4.95
Golding & cascade hops are used to brew a Pale Ale that embraces London's brewing past.

Meantime Chocolate Porter, 330ml, 6.5% ABV £5.40
Natural mocca flavours from four roasted malts complemented by adding real chocolate during maturation. Complex, yet smooth. An ideal pudding beer.

Beavertown Gamma Ray, 330ml, 5.4% ABV £5.05
American Pale Ale with an amazing hop profile. Mango, lychee & peach, then sweetness from the malt alongside a forgiving bitterness.

Beavertown 8 Ball, 330ml, 6.2% ABV £5.05
Rye IPA packed full of rye (obviously) and dry hopped with big flavoured American hops. Pool 8 balls are used to weigh down the hop sack in the beer.

Beavertown Black Betty, 330ml, 7.4% ABV £5.00
Jet black IPA but light and hoppy. Heavy-handed use of Columbus, Chinook and Citra, with some clever German malt makes Betty a big, stinky brew.

London Fields Shoreditch Triangle, 330ml, 6% ABV £5.00
Three different grains (barley, wheat & oat) meet three hops (Columbus, Chinook & Centennial), brewed in an area of London where angular haircuts are prolific.

The Kernel Pale Ale (Citra), 330ml, 5.2% ABV £5.10

The Kernel IPA (Citra, Chinook), 330ml, 7% ABV £5.10

The Kernel Table Beer (Amarillo, Citra), 330ml, 3.1% ABV £4.50

- Three pale ales from the powerhouse of London microbrewers. Different hops, different ABV's, different flavours, but all cracking beers

CRATE Brewery Cider, 330ml, 4.7% ABV £4.95
CRATE is Hackney Wick's first craft brewery and pizzeria, situated canal-side in a former print factory. We are fortunate to be one of very few venues able to sell their beers outside the brewery. This cider is extremely appley. As ciders should be.

Brew by Numbers 02|11 Golden Ale (Cascade & Bramling Cross), 330ml, 5.4% £4.90
Classic American hops give this golden-coloured beer a fruity & piney flavour to accompany its caramelised malt richness & floral overtones.

Brew by Numbers 16|01 Red Ale (Galena & Bramling Cross), 330ml, 6.2% £4.90
A hoppy U.S. style red ale. Galena is the most "mellow" hop of the high-alpha varieties so the bitterness is clean and classically well balanced.
